Education

G. Pulla Reddy Engineering College (Autonomous), Kurnool

B. Tech -CSE with Artificial Intelligence and Machine learning

📊 CGPA: 7.89 | Undergraduate

Narayana Junior College, Tirupati

Intermediate - Maths, Physics, Chemistry

📊 Percentage: 96.2% | Year: 2022

Skills

☑ Python | ☑ JavaScript | ☑ Node.js | ☑ HTML | ☑ CSS
☑ SQL | ☑ MongoDB | ☑ Firebase
♦ Git | ♦ Docker | ♦ Postman | ♦ VS Code
💡 Problem-Solving | 💬 Communication | 🤝 Teamwork | ⌚ Time Management

Experience

Competitive Programming & Problem Solving

Participated in multiple coding contests on platforms like Codeforces, LeetCode, and CodeChef, consistently improving problem-solving skills.

Project

AI-Powered Hand Gesture Control with Three-Door Game

- Developed an AI model using MediaPipe and OpenCV to recognize hand gestures and control a PC cursor.
 - 🎮 Created a webpage that integrates the AI model into an interactive three-door game.
-

Achievements

- 🏆 Successfully showcased my project in a three-day science exhibition (Vignanamela 4.0).

Actively participated in multiple coding contests, demonstrating strong problem-solving skills and analytical thinking.
